§212.2 Forest development transportation program.

(a) A forest development transportation plan must be prepared for each National Forest and experimental forest and other areas under Forest Service administration. The plan must be prepared, maintained, revised, and reported on in accordance with procedures prescribed by the Chief.

(b) A program of work for the forest development transportation system shall be developed each fiscal year in accordance with procedures prescribed by the Chief.

(c) Forest development transportation system funds shall be allocated based on consideration of relative needs of the various National Forests and other lands administered by the Forest Service, the existing transportation facilities, the value of timber or other resources served, relative fire danger, and comparative difficulties of construction.

[62 FR 58654, Oct. 30, 1997]

§212.3 Cooperative work.

(a) Cooperative agreements for all projects which involve financial contributions from cooperators shall be negotiated, approved, and executed in accordance with procedures prescribed by the Chief.

(b) Cooperative funds contributed in advance shall be deposited in the United States Treasury to the credit of the Forest Service Cooperative Fund authorized by the Act of June 30, 1914 (38 Stat. 430), as amended; 16 U.S.C. 498, or the Act of March 3, 1925 (43 Stat. 1132), as amended; 16 U.S.C. 572, which

deposits will be made available for expenditure from the appropriation "Cooperative Work, Forest Service." If a State, county or other governmental agency is unable to contribute funds under the Act of March 3, 1925, as amended, in advance but is able to pay its share subsequent to performance of the work, the subsequent payment of such funds will be deposited to the credit of the Forest Service appropriation from which the expenditures were made or to appropriations for similar purposes currently available at the time of deposit.

§212.4 Construction and maintenance.

(a) Construction and maintenance work on forest development transportation facilities with appropriated funds shall be directed to what is necessary and economically justified for protection, administration, development, and multiple-use management of the federally owned lands and resources served.

(b) Preliminary engineering and the construction and maintenance of forest development transportation facilities shall be performed by force account or let to contract, unless otherwise approved by the Chief. The contract method shall be employed for roads and trails in accordance with section 205(c) of the Act of August 27, 1958 (72 Stat. 907); 23 U.S.C. 205, and for all other facilities when it is advantageous and in the interest of the Government.

(c) No construction work shall be started by force account or let to contract until all necessary rights of way have been secured, and approved by the Attorney General, if required, and cooperative agreements, if any, approved and executed.
